

ecoco open homes

NOTTINGHAMSHIRE + DERBYSHIRE

Real People, Real Homes
May 2015

View solar panels, solid wall insulation and many other energy efficiency improvements and renewables in real homes and talk to the people who live there.

10 real, inspiring homes across Nottinghamshire and Derbyshire will show you how to:

- Save money by making your home more energy efficient
- Help the environment by making your home greener
- Save time by getting advice from others
